

Job description-Assurance Core Audit

Who we are:

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

About EY Global Delivery Services (GDS):

Global Delivery Services (GDS) consists of various service delivery centers from which our Client Service and Enablement Services teams operate to deliver strategic support to our EY member firms. GDS spans all geographies, practices, services lines, sectors and competencies within EY to deliver deeply-integrated services that result in efficient and world-class solutions.

Today, the GDS team is 30,000+ strong across five countries and plays an important role in EY's growth strategy by providing efficient and effective support to our service lines and enablement functions. GDS is a vibrant organization that is constantly growing and expanding its base, services and competencies.

With our clear vision for the future and commitment to developing outstanding leaders, EY is the place to grow your career. You will feel at home from the start, and will receive the training, support and guidance you need to do great work with exciting clients.

Along the way, you will meet people and gain important knowledge and insights that will stay with you throughout your career. In fact, whenever you join us – and however long you choose to stay.
