<https://ams.hirepro.in/assessment/#/compatibility/Deloitteconsultingch>
 - While doing compatibility check, the system will request an email id. Any email id can be provided to proceed further

2. How to attend the interview using HirePro tool

- All your email communication regarding the interview schedule will be triggered from admin@hirepro.in (Do not reply to this email)
- Please use Google Chrome Browser  (Updated version) only
- Once you receive the schedule mailer, please go through it thoroughly & make sure your system meets the mentioned requirements
- The email will contain details about the interview schedule, link & system requirements
- Click on the interview link which you have received in the schedule mailer to enter the lobby
- Please complete the initial verification process (reference image)

- The system will ask for the “Candidate ID” which is mentioned in the schedule mailer
- Please enter the candidate id in the box & press “Enter the room” (Ref Image)

The screenshot shows the HirePro logo in the top left corner. The main heading is "Interview Lobby". Below this, there is a central white box with a light blue border containing the following text and buttons:

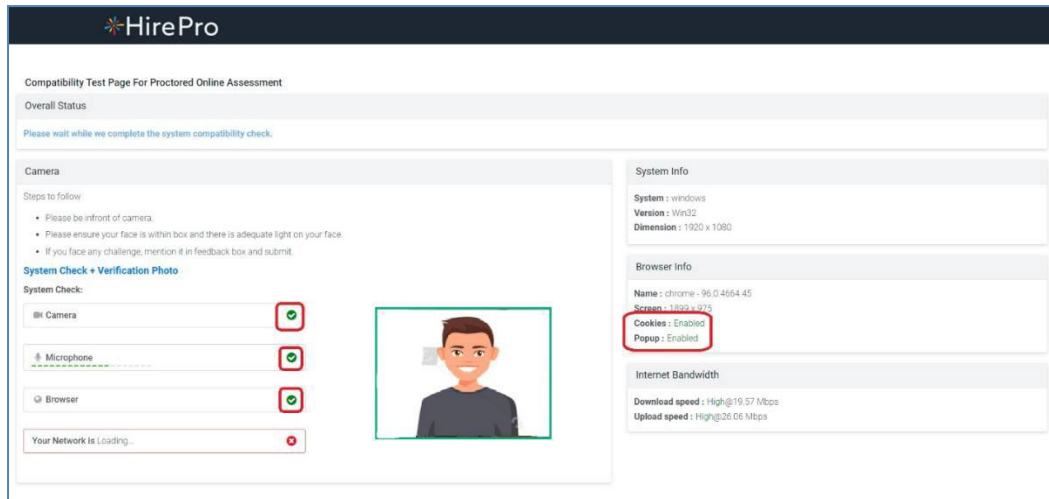

Please Enter Candidate ID to Enter

Your Candidate ID is available in your invitation Email.

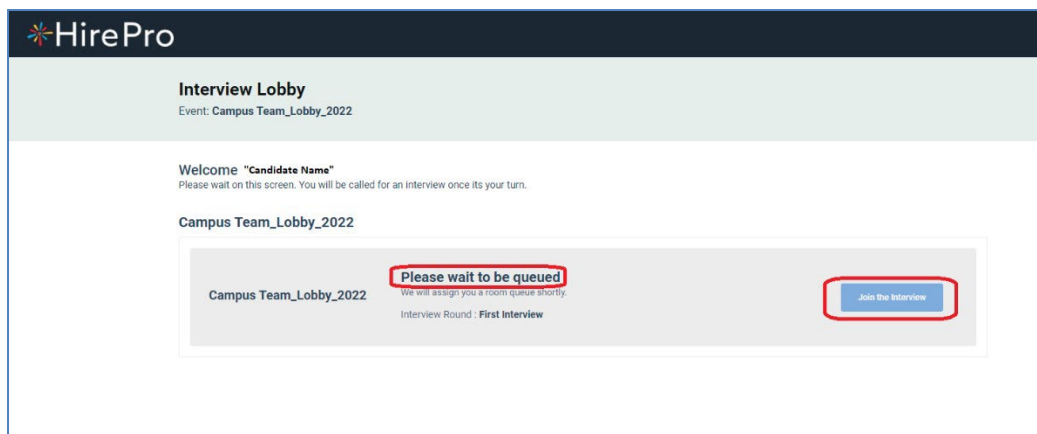

Enter Candidate Id

Enter the room

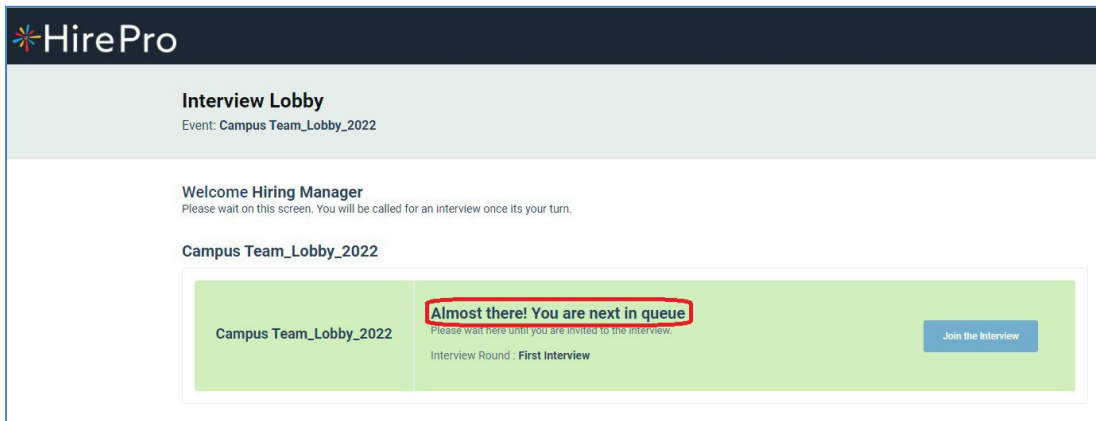

- In the next page the system will check the compatibility of your system
- Please make sure all required system requirements are met
- Please wait for a few seconds for the system to check the network connectivity
- While the system is checking the network, please don't refresh the page

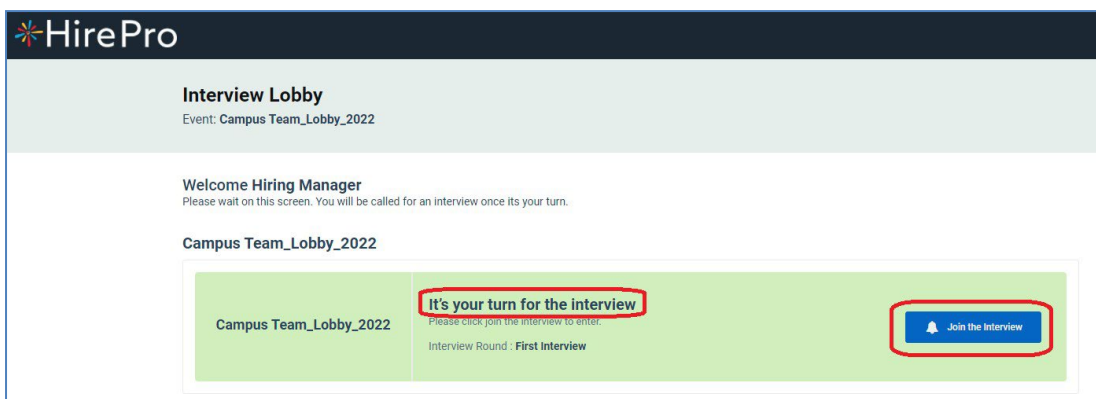

- Once the system completes the network check the system will automatically take you to the interview lobby (ref image)

- As you enter the lobby the recruiter will assign you to the interviewer
- As soon as you are assigned the status on your lobby window will get changes from "Please wait to be queued" to "Almost there! You are next in queue" (Ref Image)

- Now the interviewer will invite you to join the interview session
- At this point you will hear a ring tone & the “Join the Interview” icon will be blinking
- Click on “Join the Interview” to join the interview room with the interviewer

- Now you will enter the interview window for the discussion as below

- Once the interview gets completed you can press “End Call” & close the window
- You will also get notification in your lobby window also

Note: During the process in case of any issues, please reach out to the HirePro POCs provided in the schedule email or collect the details from student POC for placements.
